KOJIRO OKABE
HONDA LARGE PROJECT LEADER

“ The new HR-V adds elements which bring fun and joy to all passengers. We aimed to create a car that enables all people to enjoy their lifestyles.

Model shown is the HR-V Advance 1.5 i-MMD in Premium Sunlight White Pearl. For more information on which grades this and other features are available on please refer to the specification pages 76-81.

A close-up photograph of the rear of a dark-colored Honda CR-V. The image shows the Honda logo badge on the left, a red LED light bar in the center, and the 'CR-V' badge on the right. The car's body is highly reflective, showing some ambient light and reflections.

CR-V

Self-Charging
Hybrid

The New Honda HR-V

Feel the self-charging hybrid power

Designed with Honda's human-centric philosophy in mind, the intelligent **e:HEV full hybrid powertrain** automatically selects from three drive modes: Electric, Hybrid or Engine.

Inspired by our commitment to recycling energy, it works like this: the petrol engine fuels the generator by supplying energy to the electric motor, which in turn propels the wheels – leaving you to enjoy optimum performance and a seamless ride, every time.

Electric Drive delivers instantaneous acceleration from standing using two electric motors.

Hybrid Drive combines the petrol engine and both electric motors for a highly efficient performance.

Engine Drive uses the petrol engine to maintain higher speeds, helping charge the electric motor with any excess energy stored in the battery for future use.

SELF-CHARGING HYBRID
NO NEED TO PLUG IN

5-YEAR BATTERY WARRANTY
OR THE FIRST 90,000 MILES

Performance

The New Honda HR-V

A self-charging hybrid machine that moves you

The HR-V's responsive, self-charging hybrid engine is ready for any occasion: whether you're travelling through town or high-speed motoring, it's always ready with an exhilarating burst of acceleration.

Choose between three different performance modes: **Sport** for a responsive drive, **Normal** for a smooth ride and **Econ** for greater fuel efficiency.

And rest assured that whatever mode you go for, the e:HEV self-charging hybrid takes you further while being kinder to the planet – and your wallet.

MAXIMUM TORQUE
OF 253NM AT 4,500RPM

LOW EMISSIONS
OF JUST 122G/KM*

* CO2 emissions based on combined WLTP results.
Model shown is the HR-V Advance 1.5 i-MMD in Premium Sunlight White Pearl.
For more information on which grades this and other features are available on
please refer to the specification pages 76-81.

Feel your way

As you drive, the **regenerative braking system** gets to work by recovering energy and recharging the batteries along the way – so you never need to plug in.

For ultimate control and a ride that feels more electric, increase your HR-V's energy recovery by selecting Drive Mode B and adjusting the level of **deceleration effect** via the steering wheel-mounted paddle-shifters.

Great ride comfort from the all-new chassis, a drive mode chosen by you, and outstanding fuel economy – the end result is a fun, energetic and effortless drive.

The New Honda HR-V

**REAL-WORLD EFFICIENCY
OF UP TO 460 MILES ON
A FULL TANK***

**WLTP COMBINED FUEL ECONOMY
OF 5.4 L/62 MILES**

* Range calculated based on the combined WLTP fuel economy of 5.4 l/100km and a full tank of fuel. Model shown is the HR-V Advance 1.5 i-MMD in Premium Sunlight White Pearl. For more information on which grades this and other features are available on please refer to the specification pages 76-81.

Style

Put the **fun** into function

The HR-V comes with the benefits of an SUV and behaves with the playful character of a coupé.

Whether you're driving the kids to school or shuttling to the shops, the new HR-V comes packed with practical features designed to get you from A to B, fuss-free: a **Power Tailgate** makes bag-loading a breeze and the **Walk Away Close*** feature means you never have to look back.

KOJIRO OKABE
HONDA LARGE PROJECT LEADER

We designed the all-new hybrid HR-V to reflect the exacting values and needs of modern consumers.

* Not available on all models.

Model shown is the HR-V Advance Style 1.5 i-MMD in Meteoroid Grey Metallic Two-Tone with Black Roof. For more information on which grades this and other features are available on please refer to the specification pages 76-81.

Designed for **your** life

The new HR-V embodies a clean simplicity that blends **stand-out style** with exceptional efficiency and ultimate usability.

Alongside its striking looks, it's easy on the purse strings – and there's always a place to put your coffee.

In short, this car was built with modern life in mind.

KOJIRO OKABE
HONDA LARGE PROJECT LEADER

“ We created a car that will provide the spaciousness, connectivity, reliability and versatility required to fully support and enhance everyday lives.

Exterior

Hey, good looking

With a charismatic physical presence that combines the confident stance of an SUV and the **elegance of a coupé**, you're guaranteed to turn heads.

Simple, clean shoulder lines give the HR-V a bold look and a forward momentum that's always ready for action.

After all, why stand back when you can stand out?

**18" ALLOY WHEELS
AS STANDARD**

**FULL-WIDTH REAR LIGHTS
WITH 3D EFFECT**

Down to the last detail

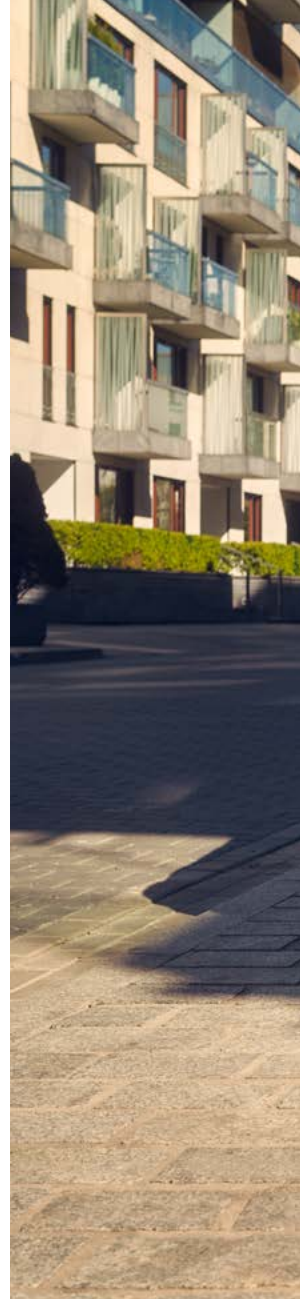

Our Advance Style boasts premium luxury finishes and innovative features. The **integrated front grille**, hidden rear passenger door handles and tailgate spoiler ensure a sleek silhouette that will get you noticed in town, country and everywhere in between.

Looks aside, it's practical too: take it all with you thanks to integrated roof rails, and park perfectly using the multi-view rear camera and eight parking sensors to guide you into the snugest of spaces.

**LED HEADLIGHTS
WITH SEQUENTIAL TURN SIGNALS**

**5 TWO-TONE
COLOUR OPTIONS***

* Two-tone option and trio colour ornament only available on the Advance Style. Model shown is the HR-V Advance Style 1.5 i-MMD in Meteoroid Grey Metallic Two-Tone with Black Roof. For more information on which grades this and other features are available on please refer to the specification pages 76-81.

The New Honda HR-V

Interior

Putting **you** in the driving seat

Have the city in your sights: the elevated new driving position puts your viewpoint above the bonnet, with excellent outward visibility that feels like you're on top of the world.

A **stylish horizontal dashboard** layout sets the scene for a ride focussed on the road ahead, eliminating clutter with an intuitive infotainment screen that defines contemporary design.

And another refreshing change: the HR-V's unique **Air Diffusion System** is devised to gently circulate warmed or cooled air around you and your passengers, making every journey more comfortable and relaxing.

**HEATED STEERING WHEEL
FOR COLD MORNINGS**

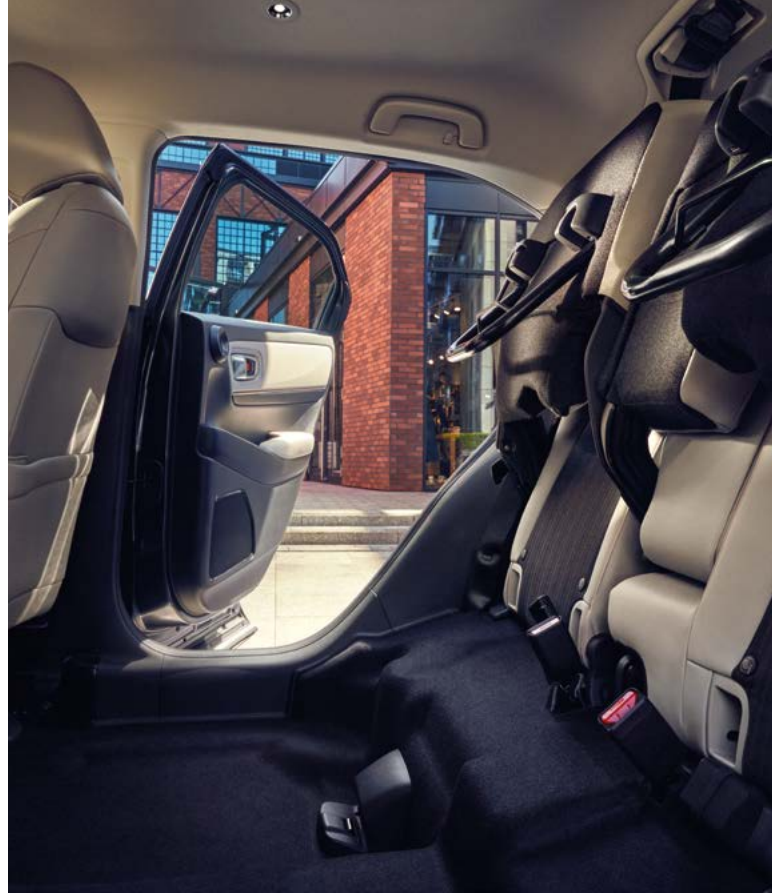

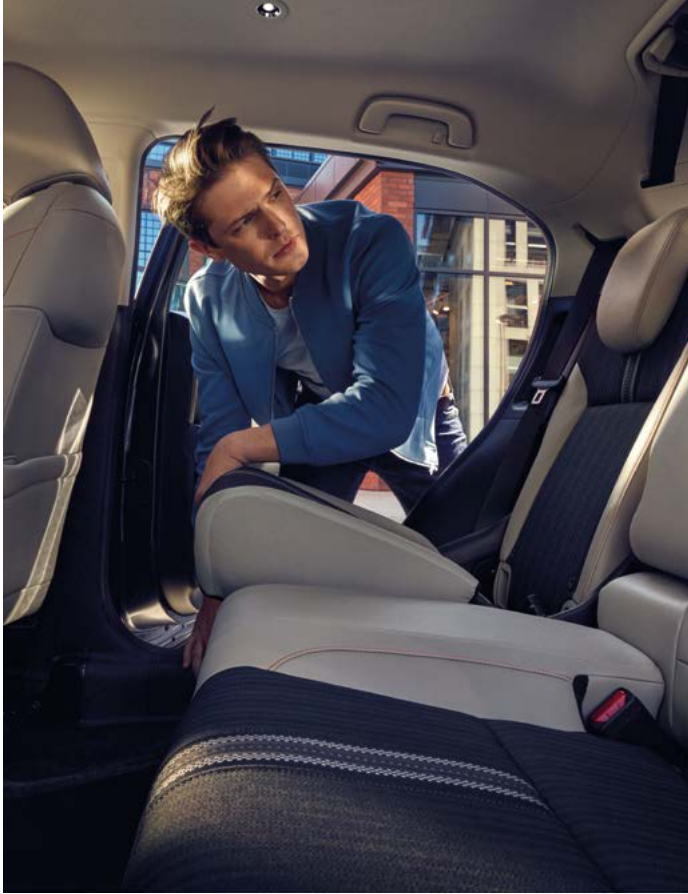

**L-SHAPED AIR VENTS
FOR WARM AFTERNOONS**

The New Honda HR-V

Winning the **space** race

From the daily commute to a weekend at the beach, the HR-V has you covered: reconfigure the **rear Magic Seats** with a single motion and instantly convert the modular interior into somewhere for bikes, skis, or a surfboard or two.

It pays to be versatile: tip them up for vertical space or fold them flat into the floor in one easy motion, or select the 60:40 split for even more flexibility.

With this much space and lots of legroom, how much can you pack in?

**60/40 MAGIC SEATS SPLIT
WITH MULTIPLE CONFIGURATIONS**

**UP TO 1274 LITRE BOOT CAPACITY
AND A CLASS-LEADING CABIN SPACE***

* Boot Capacity - Rear Seat Down Load to Roof (litres, VDA method).
Model shown is the HR-V Advance Style 1.5 i-MMD in Meteoroid Grey Metallic
Two-Tone with Black Roof. For more information on which grades this and other
features are available on please refer to the specification pages 76-81.

Technology

Get yourself connected

Thanks to the **Honda CONNECT 9" Touchscreen**, the HR-V comes fully loaded and ready to play: from **Android Auto** to **Wireless Apple CarPlay**, it syncs seamlessly with your devices so you'll never miss your music or a message on the go.

Stay in the know by tapping the Wi-Fi icon to enrol and select a plan to start enjoying your In-Car Wi-Fi Hotspot.*

Welcome to tech you can touch.

Safety

Safety comes as standard

Honda SENSING technology reads road signs and driving conditions before you do, pre-empting any potential hazards with features like Lane Keep Assist, Collision Mitigation Brake System and Intelligent Speed Limiter.

It's all because we want you and your passengers to enjoy the journey in comfort, safe in the knowledge you're prepared for whatever comes your way.

Wherever you're going, driving a Honda is driving with a sense of security.

**AUTO HIGH-BEAM HEADLIGHTS
FOR NIGHT-TIME DRIVING**

**6 DRIVER & PASSENGER AIRBAGS
FRONT, IN-SEAT AND SIDE CURTAIN**

Honda SENSING innovation

All of the following Honda SENSING features come as standard on the HR-V:

Collision Mitigation Braking System

Avoids the possibility of colliding head on with another vehicle, pedestrian or cyclist by alerting you and reducing speed.

Low Speed Braking Control

Detects a potential collision with an obstacle during normal driving or when accelerating with too much force.

Collision Mitigation Throttle Control

Recognises obstacles ahead of the vehicle and issues audio and visual alerts when stationary, or moving at less than 10 km/h if the accelerator is being over-used.

Rear Mitigation Throttle Control

Detects obstacles to the rear of the vehicle and issues audio and visual alerts when stationary, or moving at less than 10 km/h if the accelerator is being over-used.

Road Departure Mitigation System

A newly improved warning system that flags the possibility of your vehicle crossing over lane or road boundary markings.

Traffic Sign Recognition System

Reminders of road-sign information such as the current speed limit and when overtaking is prohibited.

Intelligent Speed Limiter

Automatically sets the speed limit as detected by the traffic sign recognition system.

Adaptive Cruise Control with Low-Speed Following

Maintains a constant speed and a set following interval behind and in front of the vehicle, which when needed, decelerates and stops automatically.

Lane Keep Assist System

Provides steering input to keep the vehicle in lane and alert the driver to protect against drifting.

Auto High Beam

Recognises different light sources and automatically switches between low and high beam for night-time driving.

Active Cornering Lights

Directional headlights that respond to steering, illuminating the road ahead as you enter a corner.

* Available on selected grades.

Model shown is the HR-V Advance 1.5 i-MMD in Premium Sunlight White Pearl. For more information on which grades this and other features are available on please refer to the specification pages 76-81.

Premium Upholstery

This **premium upholstery** – a combination of classic grain leather and Alston® – covers the front and rear seats and central armrest. This genuine upholstery comes with Honda's inbuilt production quality, durability and premium finishing.

Dark Brown

Midnight Black

Sport Pack

The Sport Pack gives your car a distinguished sporty look with a combination of Berlina Black and body-coloured accessories with chrome accents. **This kit includes:** Front sport bumper, front grille, rear decoration sport, side lower decorations and tailgate spoiler extension.

Items in the pack are also available separately.
Alloy wheels are optional. Model shown is the
HR-V Advance 1.5 i-MMD in Premium Sunlight White Pearl.

FRONT GRILLE

Change the complete front look of your HR-V, replacing the standard body-coloured front grille with a Berlina Black finished grille. Also available for Style grade with Style emblem.

TAILGATE SPOILER EXTENSION

If a distinguished sporty look is what you want, this Honda genuine tailgate spoiler extension in Berlina Black is exactly what you need. The Honda genuine spoiler is specifically developed to complement the standard tailgate spoiler.

FRONT SPORT BUMPER

Enhance the dynamic looks of your car with the body-coloured front sport bumper. It features a chrome accent.

REAR DECORATION SPORT

Add to your Sport Pack with the body colour rear decoration sport. Like the front sport bumper, it features a chrome accent.

SIDE LOWER DECORATIONS

These body-coloured side lower decorations (two parts per side) are giving a muscular look to your car.

Obscura Black Pack

The Obscura Black Pack gives the car a sporty and expressive character by combining Berlina Black and body-coloured accessories. **This kit includes:** Front grille, front lower decoration, rear lower decoration, fog light decorations, set of door mirror covers and tailgate spoiler extension.

Items in the pack are also available separately.
Alloy wheels are optional. Model shown is the
HR-V Advance 1.5 i-MMD in Premium Sunlight White Pearl.

FRONT GRILLE

Change the complete front look of your HR-V, replacing the standard body-coloured front grille with a Berlina Black finished grille. Also available for Style grade with Style emblem.

FRONT AND REAR LOWER DECORATION

The front and rear lower decoration, standard on the car, gets a Berlina Black finish and maximizes the premium feel and refinement of the car.

FOG LIGHT DECORATIONS

It's all about the little details. These colour-coded fog light decorations perfectly complement the fluent styling of the front of your HR-V. Also available in Ilmenite Titanium and other body colours.

DOOR MIRROR COVERS

Add a little uniqueness with these stylish door mirror covers in Berlina Black. The caps fit your Honda perfectly.

TAILGATE SPOILER EXTENSION

If a distinguished sporty look is what you want, this Honda genuine tailgate spoiler extension in Berlina Black is exactly what you need. The Honda genuine spoiler is specifically developed to complement the standard tailgate spoiler.

Ilmenite Titanium Pack

EXTERIOR

Enhance the overall premium character of your HR-V with the Ilmenite Titanium Pack. **This kit includes:** Tailgate decorations, fog light decorations and set of door mirror covers.

Items in the pack are also available separately.
Alloy wheels are optional. Model shown is the
HR-V Advance 1.5 i-MMD in Premium Sunlight White Pearl.

TAILGATE DECORATIONS

The tailgate decorations accentuate the stylish design of the rear lights. Also available in other body colours.

DOOR MIRROR COVERS

Add a little uniqueness with these stylish door mirror covers in Ilmenite Titanium. The caps fit your Honda perfectly.

FOG LIGHT DECORATIONS

It's all about the little details. These fog light decorations in Ilmenite Titanium perfectly complement the fluent styling of the front of your HR-V. Also available in other body colours.

Ilmenite Titanium Pack

INTERIOR

Enhance the premium character of your HR-V's interior with the Ilmenite Titanium Pack. **This kit includes:** Steering wheel decoration, gear shift decoration and a set of door switch panels.

DOOR SWITCH PANELS

The Ilmenite Titanium frames the door switch panels in a premium finish. The door switch panels includes two front and two rear panels.

STEERING WHEEL DECORATION

Complete your interior pack with the Ilmenite Titanium steering wheel decoration, with a premium finish you can feel.

GEAR SHIFT DECORATION

The Ilmenite Titanium gear shift decoration creates an eye-catching surround for the stylishly designed gear shift.

Alloys

Roll with it: the HR-V alloys collection brings an extra design element to the road. Choose from three exclusive options and add dash to your drive.

ALLOY WHEEL 18" HR1811

The 18" HR1811 comes in full Gunpowder Black with a shiny clear coat. Also available as winter wheel.

ALLOY WHEEL 18" HR1812

The 18" HR1812 features a diamond cut A-surface with shiny clear coat Gunpowder Black windows.

Protection & Safety

Stay covered: from the Drive Recorder to capture your journey, to the side body trims that ward off marks and scratches, your HR-V has your back. The windshield cover ensures a clear view, in any weather.

1. Drive Recorder

The genuine Honda drive recorder is much more than a recording device. No matter if you are driving in the city, manoeuvring your car, or even parked, this helpful technology will always be an extra look-out for you.

2. Side Body Trims

There's nothing more annoying than a scratch or dink in your car's bodywork. The side body trims are made from soft, impact-resistant material and provide side protection for your car as well as add a design feature.

3. Windshield Cover

This windshield cover is a shield against the elements as it will protect the mirrors and front side windows from heavy weather when your car is parked outside. It features the HR-V logo.

3

Cargo Pack

If you frequently transport luggage or specialised equipment, the Cargo Pack will help keep it organised and secure. **This kit includes:** Boot tray with dividers, tailgate illumination and boot sill decorations.

Items in the pack are also available separately.
Alloy wheels are optional. Model shown is the
HR-V Advance 1.5 i-MMD in Premium Sunlight White Pearl.

BOOT TRAY WITH DIVIDERS

This waterproof boot tray is perfectly shaped to fit your car's rear storage space and will protect the boot from dirt and scratches. The dividers prevent your cargo from sliding around and keep it in place at all times.

BOOT SILL DECORATIONS

This practical and stylish accessory for the boot protects it against scratches and bumps. It fits perfectly onto the boot's exterior lining and has an attractive brushed stainless steel finish.

TAILGATE ILLUMINATION

The Honda tailgate illumination has been developed to increase your comfort and safety, by illuminating not only the boot, but also the surface behind your car. The LED light installed on the inside of the tailgate provides a powerful and consistent light in the boot, even when fully loaded. It lights up as soon as the tailgate is opened.

Transport

Presence and practicality: as well as standout looks, the HR-V is equipped for wherever you're going and whatever you're doing. The boot tray works for hardwearing haul, keeping your HR-V boot protected. Carry more with the roof carrier and cross bars – or bring a four-pawed friend with the dog guard.

1. Boot Tray

This waterproof anti-slip boot tray is perfectly shaped to fit your car's rear storage space and will protect the boot from dirt and scratches. It has raised edges and features the HR-V logo.

2. Dog Guard

The dog guard keeps your pets safe by separating the rear passenger area from the luggage compartment. It fits perfectly between the rear seat back and the roof interior. It's a must for those who have pets.

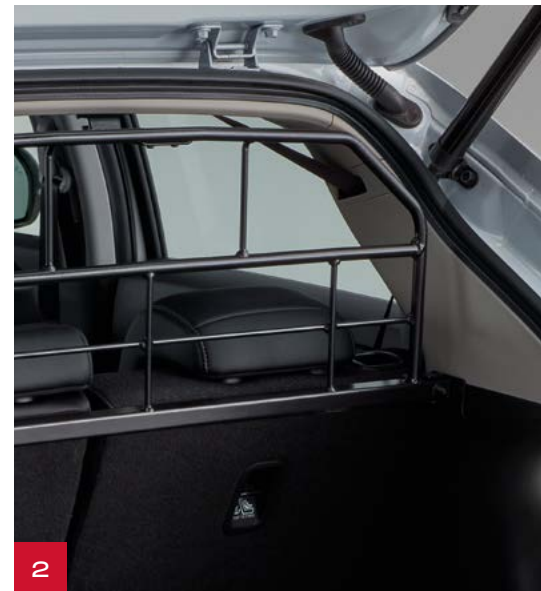

3. Roof Carrier

Expand your car's carrying capacity with a secure roof carrier. It includes four locks. Maximum load capacity: 40kg or maximum one bicycle.

4. Cross Bars

These cross bars come with anti-theft locks and comply with the stringent safety requirements. Maximum carrying capacity of 45kg or maximum two bicycles.

1

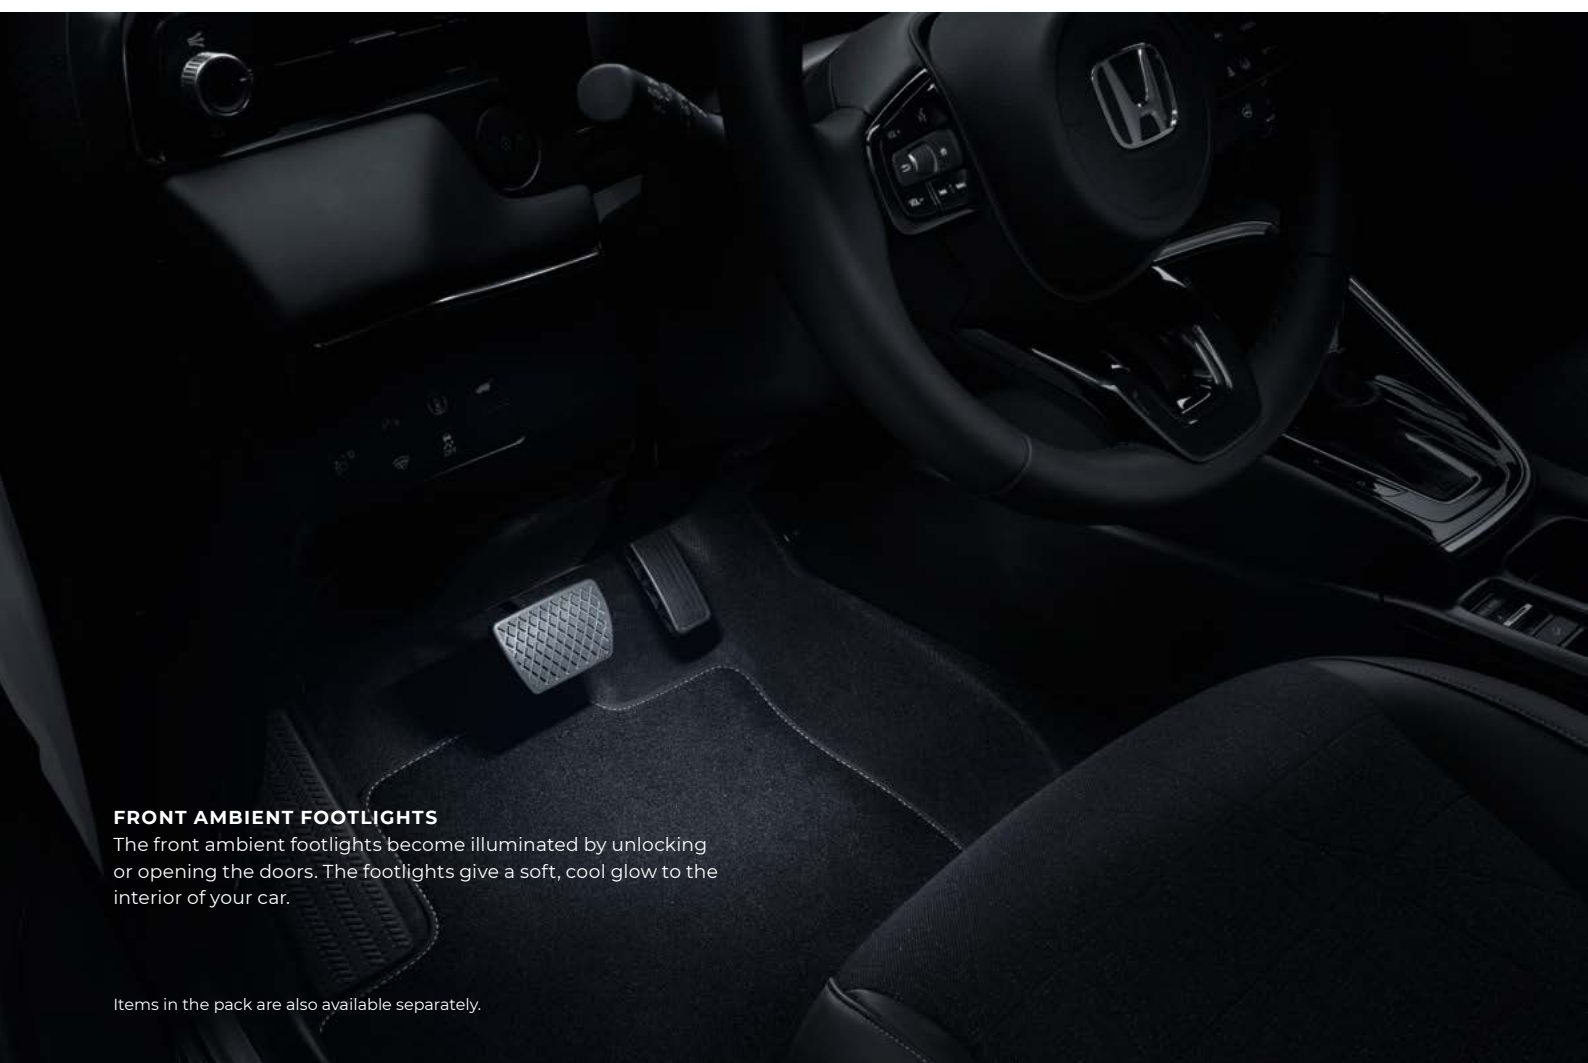

2

Illumination Pack

The Illumination Pack uses a combination of lights to give an ambient atmosphere to the interior of your car.

This kit includes: Front ambient footlights and Illuminated doorstep garnishes.

A dark, high-angle photograph of a car's interior, focusing on the driver's side. The steering wheel with the Honda logo is prominent on the right. The center console and gear shift are visible. The front ambient footlights are illuminated, casting a soft glow on the floor mats and the lower part of the dashboard. The overall atmosphere is dim and sophisticated.

FRONT AMBIENT FOOTLIGHTS

The front ambient footlights become illuminated by unlocking or opening the doors. The footlights give a soft, cool glow to the interior of your car.

**ILLUMINATED DOORSTEP GARNISHES**

The illuminated doorstep garnishes are crafted in brushed stainless steel and have a candle white illuminated HR-V logo. They are protecting the door sills from marks and scratches. This kit includes illuminated front and non-illuminated rear trims.

Interior & Comfort

1. USB Charger Rear

This rear USB charger kit is the perfect addition to provide your rear passengers with power at all times. The kit includes two type A USB connections.

2. Premium Floor Mats

These premium and comfortable fitted tufted carpets, with dual tone black/silver nubuck binding, have a metal HR-V emblem for durability. One set includes: front and rear mats.

3. Privacy Glass

If you value privacy for your rear passengers, the privacy glass is the perfect addition to your HR-V. This kit includes: two rear side windows and the rear window.

4. Tailgate Illumination

The Honda tailgate illumination has been developed to increase your comfort and safety, by illuminating not only the boot, but also the surface behind your car. The LED light installed on the inside of the tailgate provides a powerful and consistent light in the boot, even when fully loaded. It lights up as soon as the tailgate is opened.

5. Rubber Mats

Tough yet easy to clean, these rubber mats – with raised edges – are made to protect your car in the front and back, and feature the HR-V logo. The kit includes: front and rear mats.

† Fuel consumption figures, sourced from EU regulated laboratory test results, are provided for comparison purposes and may not reflect real-life driving experience. The Honda HR-V has been subjected to the new WLTP CO2 and fuel consumption testing cycle in accordance with Commission Regulation (EU) 2017/1151. WLTP figures better reflect the actual performance of the vehicle when driven on the road.

These specification details do not apply to any particular product which is supplied or offered for sale. The manufacturers reserve the right to vary their specifications, including colours, with or without notice and at such times in such manner as they think fit. Major as well as minor changes may be involved. Every effort, however, is made to ensure the accuracy of the particulars contained in this brochure. This publication shall not constitute in any circumstances whatsoever an offer by the Company to any person. All sales are made by the Distributor or Dealer concerned subject to and with the benefit of the standard Conditions of Sale and Warranty given by the Distributor or Dealer, copies of which may be obtained from them on request. This publicity material applies to the UK only Trade Descriptions Act (1968). Whilst efforts are made to ensure specification accuracy, brochures are prepared and printed several months in advance of distribution and consequently cannot always immediately reflect either changes in specification or in some isolated cases the provision of a particular feature. Customers are always advised to discuss specification details with the supplying Dealer especially if your model selection is dependent upon one of the features advertised.
